PROUDLY SUPPORTED BY

*As per rule **BMX 8.1** Boroughs who do not enter the minimum of two female races will automatically be ranked below those boroughs who do. If a borough enters one female race, they will be ranked below those with the minimum two, but above those with none.

BMX 8.1.1 The best 10 categories for a borough will still be combined and calculated in these instances but will still rank lower than teams with female racers.
